

Theatre Group Charity Event

In May the Tadcaster u3a Theatre Group was due to see “Jane Eyre” at the Holy Trinity Church in York, however this popular event was very quickly sold out so we decided to stay on home soil and visit the cinema facilities of group leader’s house in Tadcaster instead.

Lunch was ready and the group assembled. The cinema room and media wall were fired up and after a very pleasant lunch and a chat about our next outing to York Grand Opera House in June, we settled down to watch two great films “Lion” starring Dev Patel and the more recent “Hamnet” starring Jessie Buckley.

This was a charity funding event and the Group raised a magnificent £160 for Martin House Children’s Hospice.
